All-In-One Cloud Software.

TOTC is one powerful online software suite that combines all the tools needed to run a successful school or office.

Online Billing, Invoicing, & Contracts

Simple and secure control of your organization's financial and legal transactions. Send customized invoices and contracts.

Easy Scheduling & Attendance Tracking

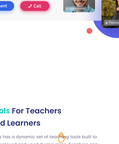
Schedule and reserve classrooms at one campus or multiple campuses. Keep detailed records of student attendance

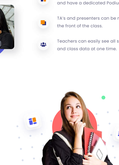
Customer Tracking

Automate and track emails to individuals or groups. Skillline's built-in system helps organize your organization

What is TOTC?

TOTC is a platform that allows educators to create online classes whereby they can store the course materials online, manage assignments, quizzes and exams, monitor due dates, grade results and provide students with feedback all in one place.





Everything you can do in a physical classroom, you can do with TOTC

TOTC's school management software helps traditional and online schools manage scheduling, attendance, payments and virtual classrooms all in one secure cloud-based system.

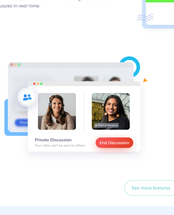
Our Features

This very extraordinary feature, can make learning activities more efficient

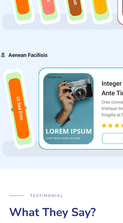


A user interface designed for the classroom

- Teachers don't get lost in the grid view and have a dedicated Podium space.
- 1k's and presenters can be moved to the front of the class.
- Teachers can easily see all students and class data at one time.

Tools For Teachers And Learners

Class has a dynamic set of teaching tools built to be deployed and used during class. Teachers can handout assignments in real-time for students to complete and submit.

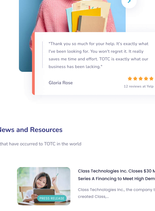


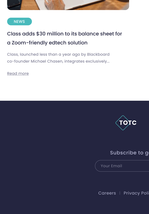
Assessments, Quizzes, Tests

Easily launch live assignments, quizzes, and tests. Student results are automatically entered in the online gradebook.

Class Management Tools for Educators

Class provides tools to help run and manage the class such as Class Roster, Attendance, and more. With the Gradebook, teachers can review and grade tests and quizzes in real-time.





One-on-One Discussions

Teachers and teacher assistants can talk with students privately without leaving the Zoom environment.
